Subject: TAB for Blue Rodeo s Is It You
      Ok, Ok...this probably isn t a hundred percent but it seems to
sound pretty decent. I only tabbed the middle break cause well...I
didn t feel like doing the rest. Anyhow bear in mind that this is my
first attempt at tab/crd ing. I put * beside a couple of C chords and
this note looks like | | | 1 | You can still play regular C but * adds
some colour
                  | 2 | |
                  3 | 4
Here Goes:
Is it you
I wonder
   F
and still it makes me laugh
is it you
that I m looking for
don t turn away so fast
and while you were talking
wide-eyed I fell asleep
      G
hoping tomorrow would be
  C
as sweet
  C
Is it you
who whispered
into my hazy soul
is it you
```

```
who makes the flowers bloom
     C*
        C
                 G
on the tenement windowsill
in a hotel room
a TV glows
   F
and songs are exchanged
   G
drunkenly chasing the ghost of eternity
E-15-8-8-13-12-8-15-17-15-12-8-7-7-8-10-12-8-15-17-13-12-12/8-15-13-12-13--
B------
E-12-13-17-20-------
G
There s a drunk on the sidewalk
trying to look unconcerned
and the dead eyed motel blondes
       F
wait in line for their turn
Is it you
who laughs
when all the other dogs snarl
is it you
                         G
just because you listened for a while
          C
and with this buzz of electricity
still ringing in my ears
 G
I wonder
 F C
is it you
 G
I wonder
 F C
is it you
```

Well that s it. You can fill in the rest. By the way, I didn t do any timing tabbing so listen to the song to get it right...you may

want to forget it all together since it is played on one of those table guitars...whatever they re called.

I ll be working on some more so email me at safranc@server.uwindsor.ca if you have any requests.

Ps Happy studying!
