Last To Know
Blue Rodeo

```
 G#    F#  C#
What took so long to build took a moment to slip away
 G#   F#  C#
You can barely hide the satisfaction on your face
 Bbm    C#
Time takes another day, changes you in subtle ways
  G#   F#  F#
Lifts you up and slowly lets you go
 G#    F#  C#
Sitting there across the room, your smile looks like a breath
 G#    F#  C#
Living underneath the heel of what you might do next
 Bbm  C#
Memory works in strange ways,
 G#  F#
Cuts you down and makes you pay
 Bbm  C#
One day you ll be walking,
 G#  F#
by the next day life will hit you from behind
```

```
 C#  G#
One heart, One love
 Bbm  F#
Two people can rise above
 C#  G#
Each Time    We fall
 Bbm  F#
Don t know what I was thinking of
 C#  Bbm
And don t say it s over
 C#  Bbm
Don t say it s over
 C#        G#     F#
Don t let me be the last to know
```

That s it so far...I m tired and need sleep. I ll be adding in the
solo next time I m on the computer so stay tuned. Beautiful song.

 Jason Lemieux
