

Last To Know
Blue Rodeo

F Eb Bb

What took so long to build took a moment to slip away

F Eb Bb

You can barely hide the satisfaction on your face

Gm Bb

Time takes another day, changes you in subtle ways

F Eb Eb

Lifts you up and slowly lets you go

F Eb Bb

Sitting there across the room, your smile looks like a breath

F Eb Bb

Living underneath the heel of what you might do next

Gm Bb

Memory works in strange ways,

F Eb

Cuts you down and makes you pay

Gm Bb

One day you ll be walking,

F Eb

by the next day life will hit you from behind

Bb F

One heart, One love

Gm Eb

Two people can rise above

Bb F

Each Time We fall

Gm Eb

Don t know what I was thinking of

Bb Gm

And don t say it s over

Bb Gm

Don t say it s over

Bb F Eb

Don t let me be the last to know

That s it so far...I m tired and need sleep. I ll be adding in the solo next time I m on the computer so stay tuned. Beautiful song.
