BLUE RODEO - ONE LIGHT LEFT IN HEAVEN
Capo 3

Intro x 2

```
Bbm                     Fm              F#              C#
Pulled myself out of the mess so everyone could breathe.

G#                                      F#          C#
Took the red-eye home I was the only one to leave.

    Bbm                 Fm              F#          C#
When Looks are daggers words are guns. Every hope is gone.

G#                                           F#      C#
The sadness in your eyes just lingers on and on

F#                      C#
Away   One light left in Heaven

F#                  C#
Away   High above the clouds

F#                          Bbm
Away   The light goes on forever

    G#
I wish we d stay up here never come down

       C#                      F7
You know I wait here for you   I wait here for you

   Bbm                      F#
No matter where you go or what you put me through
```

```
        C#                    G#              Bbm          F#
I don t know if you ll come back to me but baby if you do

C#        G#        C#
I ll be waiting for you

  Bbm              Fm        F#                  C#
I Moved myself around a bit thought I d landed safe

G#                              F#          C#
Then I caught a glimpse of what was hidden in your face.

Bbm              Fm              F#          C#
You looked me in the eye and told me everything was true

G#                          F#      C#
Now we know the distance between me and you

F#                    C#
Away   One light left in Heaven

F#                  C#
Away   High above the clouds

F#                          Bbm
Away   The light goes on forever

    G#
I wish we d stay up here never come down

      C#                      F7
You know I wait here for you   I wait here for you

  Bbm                    F#
No matter where you go or what you put me through

        C#                    G#              Bbm          F#
I don t know if you ll come back to me but baby if you do

C#        G#            Bbm
I ll be waiting for you
