[Verse]

**G**

**D**

Started out so innocent

**Em**

**C**

**G**

Everything was simple and so plain

**G**

**D**

She was in a doorway

**Em**

**C**

**G**

And I was walking nowhere down the main

**D**

She whispered something softly

**C**

**G**

And stepped into the light

**D**

Can you help me out she said

**C**

**G**

I m a little lost tonight

[Chorus]

**G**

**D**

**C**

**G**

One day love just hits you with a flash

**G**

**D**

**C**

**G**

Lights go off around you like some photograph

[Verse]

**G**

**D**

She said her bags were stolen

**Em**

**C**

**G**

All they left her was the camera on her arm

**G**

**D**

She told me she was new in town

**Em**

**C**

**G**

Only two weeks off the farm

**D**

Oh, why did I believe her

**C** **G**

Heaven only knows

**D**

One look in my eyes

**C** **G**

And all my resolution goes

[Chorus]

**G** **D** **C** **G**

One day love just hits you with a flash

**G** **D** **C** **G**

Leaves you staring blindly like some photograph

[Bridge]

**Em** **D**

Pictures of two fools laughing at the world

**C** **G**

Smiling as only good luck does

**Em** **D**

Truth is you re not even looking at me girl

**Am**

All the time I was falling

**C**

You kept on stalling

**Am** **D**

Sizing up how big a fool I was

[Bridge]

**Em** **D**

Pictures of two fools laughing at the world

**C** **G**

Smiling as only good luck does

**Em** **D**

Truth is you re not even looking at me girl

**Am**

All the time I was falling

**C**

You kept on stalling

**Am** **D**

Sizing up how big a fool I was

[Verse]

**G** **D**

Woke up in the morning

**Em** **C** **G**

I don t think that I had been asleep too long

**G** **D**

The room was dark and empty

**Em** **C** **G**

I could see that all my clothes and money were gone

**D**

Oh, I've run out of excuses

**C**

**G**

And people I can blame

**D**

But if she ever asked me to

**C**

**G**

I'd do it all again

[Chorus]

**G**

**D**

**C**

**G**

One day love just hits you with a flash

**G**

**D**

**C**

**G**

Leaves you staring blindly like some photograph
