[Intro]

**F#**

[Verse]

**F#** **C#**

Started out so innocent

**Ebm** **B** **F#**

Everything was simple and so plain

**F#** **C#**

She was in a doorway

**Ebm** **B** **F#**

And I was walking nowhere down the main

**C#**

She whispered something softly

**B** **F#**

And stepped into the light

**C#**

Can you help me out she said

**B** **F#**

I m a little lost tonight

[Chorus]

**F#** **C#** **B** **F#**

One day love just hits you with a flash

**F#** **C#** **B** **F#**

Lights go off around you like some photograph

[Verse]

**F#** **C#**

She said her bags were stolen

**Ebm** **B** **F#**

All they left her was the camera on her arm

**F#** **C#**

She told me she was new in town

**Ebm** **B** **F#**

Only two weeks off the farm

**C#**

Oh, why did I believe her

**B F#**

Heaven only knows

**C#**

One look in my eyes

**B F#**

And all my resolution goes

[Chorus]

**F# C# B F#**

One day love just hits you with a flash

**F# C# B F#**

Leaves you staring blindly like some photograph

[Bridge]

**Ebm C#**

Pictures of two fools laughing at the world

**B F#**

Smiling as only good luck does

**Ebm C#**

Truth is you re not even looking at me girl

**G#m**

All the time I was falling

**B**

You kept on stalling

**G#m C#**

Sizing up how big a fool I was

[Bridge]

**Ebm C#**

Pictures of two fools laughing at the world

**B F#**

Smiling as only good luck does

**Ebm C#**

Truth is you re not even looking at me girl

**G#m**

All the time I was falling

**B**

You kept on stalling

**G#m C#**

Sizing up how big a fool I was

[Verse]

**F# C#**

Woke up in the morning

**Ebm B F#**

I don t think that I had been asleep too long

**F# C#**

The room was dark and empty

**Ebm B F#**

I could see that all my clothes and money were gone

**C#**

Oh, I've run out of excuses

**B**

**F#**

And people I can blame

**C#**

But if she ever asked me to

**B**

**F#**

I'd do it all again

[Chorus]

**F#**

**C#**

**B**

**F#**

One day love just hits you with a flash

**F#**

**C#**

**B**

**F#**

Leaves you staring blindly like some photograph
