Key: A (Capo on 2nd fret. Chords shown for key of G.)

[Intro]

A

[Verse]

A **E**
Started out so innocent

F#m **D** **A**
Everything was simple and so plain

A **E**
She was in a doorway

F#m **D** **A**
And I was walking nowhere down the main

E
She whispered something softly

D **A**
And stepped into the light

E
Can you help me out she said

D **A**
I m a little lost tonight

[Chorus]

A **E** **D** **A**
One day love just hits you with a flash

A **E** **D** **A**
Lights go off around you like some photograph

[Verse]

A **E**
She said her bags were stolen

F#m **D** **A**
All they left her was the camera on her arm

A **E**
She told me she was new in town

F#m **D** **A**
Only two weeks off the farm

E

Oh, why did I believe her

D **A**

Heaven only knows

E

One look in my eyes

D **A**

And all my resolution goes

[Chorus]

A **E** **D** **A**

One day love just hits you with a flash

A **E** **D** **A**

Leaves you staring blindly like some photograph

[Bridge]

F#m **E**

Pictures of two fools laughing at the world

D **A**

Smiling as only good luck does

F#m **E**

Truth is you re not even looking at me girl

Bm

All the time I was falling

D

You kept on stalling

Bm **E**

Sizing up how big a fool I was

[Bridge]

F#m **E**

Pictures of two fools laughing at the world

D **A**

Smiling as only good luck does

F#m **E**

Truth is you re not even looking at me girl

Bm

All the time I was falling

D

You kept on stalling

Bm **E**

Sizing up how big a fool I was

[Verse]

A **E**

Woke up in the morning

F#m **D** **A**

I don t think that I had been asleep too long

A **E**

The room was dark and empty

F#m **D** **A**

I could see that all my clothes and money were gone

E

Oh, I've run out of excuses

D

A

And people I can blame

E

But if she ever asked me to

D

A

I'd do it all again

[Chorus]

A

E

D
