```
Rain Down On Me
Blue Rodeo
[Intro] (x3)
  F
            C
[Verse]
                            C
               F
you never need for-givness... left home at seven-teen
             G/B
                     Am
raised up on hate to a life that s second rate
I ve seen that look before behind closed..windows..
                  F
                             C
you couldn t be de-livered... just won t be de-nied
        G/B
              Am
too much a child confident and wild...no-
                             F
-body taught you how to live what to keep and what to..
[Verse]
give-oh-now she talks to strangers....who
..now everybody.... ..wants you....
bring her flowers for her.. hair......
bring you flowers for your.
and every night you count on me...to
                      Am
get you out the door.. then you smile and watch..
peel you off the wall.
                 C
                     G/B
                             Αm
                                  F
me lose control R-A-I-N on me
                                  oh..
      G/B
              Am F
                       C
                             G/B
                                     Αm
rain down on
              me oh rain down on me ya...
                      F
I used to think I knew what I was waiting for I don t think that
      G/B
             Am
                     F
                                 C G/B
                                             Am
any-more....(Organ Solo).....
[Instrumental]
C G/B
             Am
                   F
                                G
[Verse]
                                    C
didn t know what to bring you -- you don t seem to need much at all.
                       Am
no pearls or chains and nobodys sad refrain...
                                                        G
                     F
                                                 G
```

everytime I wonder why I think back to the kindness in your eyes..
