

**Somebody Waits**  
**Blue Rodeo**

Somebody Waits  
by Blue Rodeo  
Tabbed by Bradley Bourgeois

Verse 1

**G Am**  
Now, I think i know why.

**C D G**  
You sounded so strange on the telephone.

**G Am**  
But it s hard, when you discover.

**C D G**  
What keeps you going, keeps you all alone.

Bridge 1

**Em D**  
A dream so near, I thought the smoke might never clear.

**Em D Dsus4 D**  
And hide it all behind, endless cigarettes and tears.

Chorus

**G Em C D**  
Somebody waits for the time I know, it never comes.

**Bm Em C D Dsus4 D**  
You get yourself so high, and you come down feeling blue.

**G Em C D**  
One day you wake up and realize you ve had enough.

**Bm Em C D**  
A thousand shattered moments waiting just to happen.

**C Bm Am G**  
To you, to you, to you

Solo ( Keyboard organ sound )

**Em D Em D Dsus4 D**

Verse2

**G    Am**

Wait, until you re stronger.

**C    D**

No sense starting when you re down so long.

**G    Am**

Well it takes, my heart, a little longer.

**C    D**

See the point of finally letting go.

Bridge2

**Em       D**

You lose you re touch, out there standing in the rain.

**Em       D Dsus4 D**

When it s all too much, you feel like slippin down again.

Chorus X2
