Somebody Waits
by Blue Rodeo
Tabbed by Bradley Bourgeois

Verse 1

G Am

Now, I think i know why.

C D G

You sounded so strange on the telephone.

G Am

But it s hard, when you discover.

C D G

What keeps you going, keeps you all alone.

Bridge 1

Em D

A dream so near, I thought the smoke might never clear.

Em D Dsus4 D

And hide it all behind, endless cigarettes and tears.

Chorus

G Em C D

Somebody waits for the time I know, it never comes.

Bm Em C D Dsus4 D

You get yourself so high, and you come down feeling blue.

G Em C D

One day you wake up and realize you ve had enough.

Bm Em C D

A thousand shattered moments waiting just to happen.

C Bm Am G

To you, to you, to you

Solo (Keyboard organ sound)

Em D Em D Dsus4 D

Verse2

G Am

Wait, until you re stronger.

C D

No sense starting when you re down so long.

G Am

Well it takes, my heart, a little longer.

C D

See the point of finally letting go.

Bridge2

Em D

You lose you re touch, out there standing in the rain.

Em D Dsus4 D

When it s all too much, you feel like slippin down again.

Chorus X2
