Key: **A**

[Verse]

**A**  
I want to know where my confidence went

**D** **A**  
One day it all disappeared

**A** **E/F#** **F#m**  
And I m lying in a hotel room miles away

**D** **E**  
Voices next door in my ear

**A**  
Day time is bad, nighttime worse

**D** **A**  
Hope that I can get home soon

**A** **E/F#** **F#m**  
But the half-finished bottles of inspiration

**D** **E**  
Lie like ghosts in my room

**Bm**  
I want to go

**E**  
I know I can t stay

**D**  
But I don t want to run

**E**  
Feeling this way

[Chorus]

**Bm** **C#m** **D** **E**  
Til I am myself

**Bm** **C#m** **D** **E**  
Til I am myself

**Bm** **C#m** **D** **E** **A**  
Til I am myself again

There s a seat on the corner I keep every night  
Wait til the evening begins  
I feel like a stranger from another world  
But at least I m living again

There are nights full of anger  
Words that are thrown  
Tempers that are shattered and thin  
And the moments of magic  
Are just too short  
They re over before they begin

I know it s time  
One big step  
I can t go  
I m not ready yet  
Til I am myself  
Til I am myself  
Til I am myself again

[Instrumental]

**E D A-D A, F#m C#m D E, Bm E A-E/F# F#m, D D E E-D-E, A**

I had a dream that my house was on fire  
People laughed while it burned  
I tried to run by my legs were numb  
I had to wait til the feeling returned

I don t need a doctor to figure it out  
I know what s passing me by  
When I look in the mirror  
Sometimes I see traces of some other guy

I want to go  
I know I can t stay  
But I don t want to run  
Feeling this way  
Til I am myself  
Til I am myself  
Til I am myself again
