Intro: C D G-C-G

G

G-C-G

C

Well I d rather be walking through the tall pine trees high up above Lake Louise
G C G-

C-G
And I d rather be chasing after shooting stars than waiting for this dumb
503 TTC

C D G-C-G
I d like to see the sun set behind Saddle Mountain

C D G-C-G
And listen to the wind whisper my name

C D
Yeah this world and me don t fit

G G/F# Em
One of us is going to have to quit

C D G-C-G
Oh how I miss those western skies

And I d rahter be back in the Rocky Mountains than sitting in some bar on
Queen Street

And I d rather be back in the high meadows than watching the latest war on my TV
So please don t you stand in my way

I just got to get out of this place
If I waste another day I m sure

The sun will forget my name
Oh how I miss those western skies

F C G-C-G
Oh to see the sunset in her eyes

F C D
Oh to see the sunshine in her eyes

And I d rather be lying by the bow river watching the clouds go by
Yea I d rather be anywhere else than here tonight stuck in the city

But through the pain good things will come
After the rain the sun

But that don t mean much to me
Stuck in the city

Oh how I miss those western skies

C D Bm Em
Oh how I miss, Oh how I miss

C D C G
Oh how I miss those western skies
