Intro: **Bb C F-Bb-F**

F **Bb**
F-Bb-F

Well I d rather be walking through the tall pine trees high up above Lake Louise
F Bb F

-Bb-F

And I d rather be chasing after shooting stars than waiting for this dumb
503 TTC

I d like to see the sun set behind Saddle Mountain
Bb C F-Bb-F

And listen to the wind whisper my name
Bb C F-Bb-F

Yeah this world and me don t fit
Bb C

One of us is going to have to quit
F F/F# Dm

Oh how I miss those western skies
Bb C F-Bb-F

And I d rahter be back in the Rocky Mountains than sitting in some bar on
Queen Street

And I d rather be back in the high meadows than watching the latest war on my TV
So please don t you stand in my way

I just got to get out of this place
If I waste another day I m sure

The sun will forget my name
Oh how I miss those western skies

Oh to see the sunset in her eyes
Eb Bb F-Bb-F

Oh to see the sunshine in her eyes
Eb Bb C

And I d rather be lying by the bow river watching the clouds go by
Yea I d rather be anywhere else than here tonight stuck in the city

But through the pain good things will come
After the rain the sun

But that don t mean much to me
Stuck in the city

Oh how I miss those western skies

Oh how I miss, Oh how I miss
Bb C Am Dm

Oh how I miss those western skies
Bb C Bb F
