Intro: D E A-D-A

A D

A-D-A

Well I d rather be walking through the tall pine trees high up above Lake Louise
A D A-

D-A
And I d rather be chasing after shooting stars than waiting for this dumb
503 TTC

D E A-D-A
I d like to see the sun set behind Saddle Mountain

D E A-D-A
And listen to the wind whisper my name

D E
Yeah this world and me don t fit

A A/F# F#m
One of us is going to have to quit

D E A-D-A
Oh how I miss those western skies

And I d rahter be back in the Rocky Mountains than sitting in some bar on
Queen Street

And I d rather be back in the high meadows than watching the latest war on my TV
So please don t you stand in my way
I just got to get out of this place
If I waste another day I m sure
The sun will forget my name
Oh how I miss those western skies

G D A-D-A
Oh to see the sunset in her eyes

G D E
Oh to see the sunshine in her eyes

And I d rather be lying by the bow river watching the clouds go by
Yea I d rather be anywhere else than here tonight stuck in the city
But through the pain good things will come
After the rain the sun
But that don t mean much to me
Stuck in the city
Oh how I miss those western skies

D E C#m F#m
Oh how I miss, Oh how I miss

D E D A
Oh how I miss those western skies
