Tabbed by: Mert Yuruk

Tuning: Capo 4th fret (you know the rhythm and it goes like this again and again)

Intro: **C, B, Bsus, Em**

C

We come from humble beginnings and

Who could have guessed it when

B **Bsus** **Em**
You sit and doubt it and things ain't all that bright

C **B Bsus Em**
But we made it through the night, oh

C

It's like a game of truth or dare

B **Bsus**
If you can make it here you'll make it anywhere

Em
That's what we've been told

C **B Bsus Em**
But the story's getting old

Together we faced the cold outside
No one can say we didn't try
And I will never give you up or let you go

Together we faced our final fears
Remember the moments that we shared
That's why I'll never give you up or let you go

We'll be ready when the curtain might fall
Feel my heart beating when the crowd calls
I gotta read between the lines
Cuz I'm living out the script of my life

Cuz we all got a part we must play
And I've done it but I've done it my way
I gotta read between the lines

Oh in the script of my life

B : 224442

Bsus: x24452
