This is my first Tab so enjoy^^

Intro: **Am** | **F** | **C** | **G**

**Am**  
You were the eyes in the face of fortune,  
**F**  
I lost my way and I couldn t find you,  
**C**            **G**  
Oh... Oh, no.

**Am**  
We re not the first ones to be divided,  
**F**  
Won t be the last to be reunited,  
**C**            **G**  
Oh... Oh, no.

**Am**  
It s like rain falling down,  
                  **F**  
Drops of pain hit the ground,  
                  **C**  
I can t speak,  
  **G**  
There s no sound when you re gone.  
(Yeah, yeah, come on.)

Chorus:

**Am**            **F**  
I can, I will, I know,  
          **C**                    **Gsus4 G**  
I can untie these hands.  
Get back up again.

I can, I will, I know,  
I can untie these hands.  
Get backup up again.

**Am**            **F**            **C**  
I can, oh.  
                  **G**  
I can.

Get back up again.

**Am**

I ve never lost anything quite like this,

**C**

**F**

No second chances if I don t find it,

**C**

**G**

No, oh, no, oh, no.

**Am**

You closed the door and you kept on walking,

**F**

Left me behind and there s no more talking.

**C**

**G**

No, oh, no, oh, no.
