## Like A Friend Blue?

it is my first ever tabbing and i got only the chorus and the verse

 $(\mathbf{A}) \tag{F#m}$ 

I never had anybody treat me quite like you do

 $(\mathbf{D}) \tag{E}$ 

I love your honesty

 $(\mathbf{A}) \qquad \qquad (\mathbf{F} \# \mathbf{m})$ 

We met, we clicked, we shared a vibe that was true

 $(\mathbf{D}) \tag{E}$ 

And it was plain to see, it was plain to see.

Oh yeh

(A)

I did not want to face the truth

(F#m)

You said you had a man

 $(\mathbf{D}) \tag{E}$ 

And you were so in love with him and nobody else

chorus:

 $(\mathbf{A}) \qquad \qquad (\mathbf{F} \# \mathbf{m})$ 

What do you do when someone don t love you

 $\mathbf{D}$ ) ( $\mathbf{E}$ )

They show you all their feelings like you re a friend Like you re a friend

 $(\mathbf{A}) \qquad \qquad (\mathbf{F} + \mathbf{m})$ 

What do you say when things don t go your way

 $(\mathbf{D}) \tag{E}$ 

And you re frozen in a picture like you re a friend Like you re a friend

thats how it goes whole way through , except the bridge

I don t want to be your friend, no way.

verse:

Well I was trapped I was dependant on you

And there was no escape

SO

I was a fool to think that I was the one

I let you criticize everything I done, no no

I did not want to face the truth

```
You said you had a man
And you were so in love with him and nobody else
(chorus)
bridge:
( Dm )
Well I know I can t have you
And I can t live without you
  (Gm)
But I guess I can t have it my way
( Dm )
For the love you re not feeling
    (C)
My heart is still breathing
    (Gm)
                                 (\mathbf{E})
Girl how can you treat me this way?
chorus..
dont forget to rate.....
```
