

**Make It Happen
Blue?**

Intro

Em C Am G D

oooh oooh oooh

Em C Am G D

oooh oooh oooh

Verse

Em C Am G D (x3)

Tonight you'll call
We'll talk the way we always do
But still you won't say anything I want you to
And though your words
Are sweet they just can't ease my pain

Bridge

Am G C D

I guess I've waited far too long
You just can't lead me on

Chorus

Em C Am D

Em C Am G D Em

Don't just talk make it happen
Don't make me wait for you
Do what you came to do
Keep me up
Don't stop make it happen
It's got the best of me
This curiosity
Kills me every time

Verse

Em C Am G D

Em C Am G D

I'll wait for you
To ring my bell
I want you to
So don't be late

Quit playing games don t hesitate

Bridge

Am G C D

Cause now I ve waited far too long
You just can t lead me on

Chorus

Em C Am D

Em C Am G D Em

Don t just talk make it happen
Don t make me wait for you
Do what you came to do
Keep me up
Don t stop make it happen
It s got the best of me
This curiosity
Kills me every time
