2 for 1
she
said to me today
she said
Iâ€™m so smooth, drinks
On meâ€™I just got paid

Now sheâ€™s crying a bottle of vodka
And no she wonâ€™t stop
Singin up in my ear

Bb A Em

â€|yeah we always went for 2 for 1
â€|yeah we always went for 2 for 1
â€|yeah we always went for 2 for 1

I can hear the pills
Shakin all up in her purse
She said it calms me down

(Can I get a nurse!)

I just wanna be nice
But a sharp knife
Is the best friend
Of serial killers and housewives

CHORUS:

A C9 (032330)

Unzip my file
By the billiard table
A cheap photo

shoot by the jukebox
one for the road
you know the barcode baby

Em G A

Later Iâ€™ll watch you go home with another ladyâ€™|

Backup lyrics:

Unzip my file
Stay for a while
Ember burns her pantyhose

Unzip my file
Stay for a while
Iâ€™ll have one, light me up

Bb A Em

â€™|yeah we always went for 2 for 1
â€™|yeah we always went for 2 for 1
â€™|yeah we always went for 2 for 1

If you got thick skin,
no one will know when you re ripe.
When you started this story
I just knew you were lying

Because that man that you said you loved
Is textinâ€™ me now

CHORUS:

By the billiard table
A cheap photo
shoot by the jukebox
one for the road
you know the barcode baby
