Standard Tuning

(Percussive)

**Em Em Gm Fm Em**

Bruisey Brookie and Andy Warhol  
are always cruisinâ€™™ down the city steetsâ€™™  
I see â€™™emâ€™™  
From my window  
Iâ€™™m writing it down  
Cuz I heard they make green from  
Pop Art

**Em Em Gm Fm Em**

Bruisey Brookie and Marilyn Monroe  
Are always doinâ€™™ their hair in public  
But  
Back in the studio  
I see â€™™em let it go  
Theyâ€™™re throwing green around on  
Pop Art

(strumming)

**Em Esus (Aadd9)**

I need caffeine  
I need the street  
Got a chance  
For me to meet  
A couture girl  
A city queen  
Does she do pills?  
Does she drink?

**Em Em Gm Fm Em**

Bruisey Brookie and Yours Truly  
Are always drinkinâ€™™ on a blank canvas  
But the blood on her knees

And the bruise on her cheek  
Are keeping me warm from  
Pop Art
