In the recording, the guitar is tuned down a half step but it sounds fine in standard tuning as well.

A long sunset

A5

over concrete Miami Beach.

C7

The humid blanket,

A7sus4

then neon signs in the street.

D

Lost lovers line the sand

Am7

for a finish or a start.

C7

The swollen red moon rises as

A7sus4

they peek from crustacean hearts

A7 C7

These kisses in our ecosystem,

Sent in bottles riding the sea,
I feel â€˜em when you send â€˜em out,
Even when they donâ€™t reach me.

Dsus2

Diplomatic gentlemen

A5

learning Italian from cassette, they

C7

only pause to speak English

A7sus4

while the women are under the waves.

D

The night tide comes in,

Am7

makes sandy, electronics.

C7

The men splash to briefs

A7sus4

and the neon short circuitsâ€¦

A7 C7

These embraces in our system,
Radar in the deep green sea,
I feel â€˜em when you send â€˜em out,
Even if they donâ€™t reach me.

Sending letters â€˜cross the ocean itâ€™s just too easy
Iâ€™ll send you these songs handwritten I donâ€™t mind the delay

A7 C7

These kisses in our ecosystem,
Sent in bottles riding the sea,
I feel â€˜em when you send â€˜em out,
Even when they donâ€™t reach me.

A7 C7

These embraces in our system,
Radar in the deep green sea,
I feel â€˜em when you send â€˜em out,
Even if they donâ€™t reach me.
