Suicide

A_m **Dsus2**

I was a man

G

Who fooled with

E_m

The real life

A_m

Behind this smile

Dsus2

I can't deny

G

I'm drowning

E_m

With no one here

A_m

To realize

Dsus2

That I still love

G

That I care

E_m

For all the things

A_m

Where you decide

Dsus2

Whose love is strong

G

What matters

E_m

Who keep the keys

A_m ? Dsus2 ? G ? E_m

To stay aliveeeeeeeeeeeeeeeeeeeeeee

A_m ? Dsus2 ? G ? E_m

Who rules now

Em

This loneliness

Am

Is my prize

Dsus2

I guess I was

G

Pretending

Em

To be the one

Who's victimized

Dsus2

But in the end

Is now a reason

Am ? Dsus2 ? G ? Em

You suicideeeeeeeeeeeeeeeeee

Without a mind

Dsus2

I can't recall

G

The feelings

Em

The sceneries

Am

Where I could dive

Dsus2

To see you walking

G

To me

Em

Loving me
