Suicide

Bbm **Ebsus2**

I was a man

G#

Who fooled with

Fm

The real life

Bbm

Behind this smile

Ebsus2

I can?t deny

G#

I?m drowning

Fm

With no one here

Bbm

To realize

Ebsus2

That I still love

G#

That I care

Fm

For all the things

Bbm

Where you decide

Ebsus2

Whose love is strong

G#

What matters

Fm

Who keep the keys

Bbm ? Ebsus2 ? G# ? Fm

To stay aliveeeeeeeeeeeeeeeeeeeee

Bbm ? Ebsus ? G# ? Fm

eeeeeeeeee

Bbm **Ebsus2**

I?m standing here

G#

With no one

Fm

With all the things

Bbm

You leave behind

Ebsus2

I am the man

G#

Who rules now

Fm

This loneliness

Bbm

Is my prize

Ebsus2

I guess I was

G#

Pretending

Fm

To be the one

Bbm

Who's victimized

Ebsus2

But in the end

G#

This suffering

Fm

Is now a reason

Bbm ? Ebsus2 ? G# ? Fm

You suicideeeeeeeeeeeeeeeeeee

Bbm ? Ebsus2 ? G# ? Fm

I'm not a man

G#

I'm broken

Fm

Unspoken

Bbm

Without a mind

Ebsus2

I can't recall

G#

The feelings

Fm

The sceneries

Bbm

Where I could dive

Ebsus2

To see you walking

G#

To me

Fm

Loving me

Bbm

With all your pride

Ebsus2

I can?t just stand
