Suicide

Gm Csus2

I was a man

F

Who fooled with

Dm

The real life

Gm

Behind this smile

Csus2

I can?t deny

F

I?m drowning

Dm

With no one here

Gm

To realize

Csus2

That I still love

F

That I care

Dm

For all the things

Gm

Where you decide

Csus2

Whose love is strong

F

What matters

Dm

Who keep the keys

Gm ? Csus2 ? F ? Dm

To stay aliveeeeeeeeeeeeeeeeeeeeeeeee

Gm ? Csus ? F ? Dm

eeeeeeeeee

Gm Csus2

I?m standing here

F

With no one

Dm

With all the things

Gm

You leave behind

Csus2

I am the man

F

Who rules now

Dm

This loneliness

Gm

Is my prize

Csus2

I guess I was

F

Pretending

Dm

To be the one

Gm

Who's victimized

Csus2

But in the end

F

This suffering

Dm

Is now a reason

Gm ? Csus2 ? F ? Dm

You suicideeeeeeeeeeeeeeeeeee

Gm ? Csus2 ? F ? Dm

eeeeeeeeeeeeeeeeeeeeee

C Dm

It's this my sin, it's this my fall

C

Can raise my eyes, without your call

Dm

My greatest win is in my cry

G Gm ? Csus2 ? F ? Dm

Why did go, just tell me whyyyyyyyyyyyyyyyyyyyyyy.

Gm ? Csus2 ? F ? Dm

Yyyyyyyyyy

Gm Csus2

I'm not a man

F

I'm broken

Dm

Unspoken

Gm

Without a mind

Csus2

I can't recall

F

The feelings

Dm

The sceneries

Gm

Where I could dive

Csus2

To see you walking

F

To me

Dm

Loving me

Gm

With all your pride

Csus2

I can?t just stand

F

This waiting

Dm

I will be with you
