

Suicide

Bluemoon Boulevard

Suicide

G#m **C#sus2**

I was a man

F#

Who fooled with

Ebm

The real life

G#m

Behind this smile

C#sus2

I can?t deny

F#

I?m drowning

Ebm

With no one here

G#m

To realize

C#sus2

That I still love

F#

That I care

Ebm

For all the things

G#m

Where you decide

C#sus2

Whose love is strong

F#

What matters

Ebm

Who keep the keys

G#m ? C#sus2 ? F# ? Ebm

To stay aliveeeeeeeeeeeeeeeeeeeeeeeee

G#m ? C#sus ? F# ? Ebm

eeeeeeeeee

G#m **C#sus2**

I?m standing here

F#

With no one

Ebm

With all the things

G#m

You leave behind

C#sus2

I am the man

F#

Who rules now

Ebm

This loneliness

G#m

Is my prize

C#sus2

I guess I was

F#

Pretending

Ebm

To be the one

G#m

Who's victimized

C#sus2

But in the end

F#

This suffering

Ebm

Is now a reason

G#m ? C#sus2 ? F# ? Ebm

You suicideeeeeeeeeeeeeeeeeee

G#m ? C#sus2 ? F# ? Ebm

eeeeeeeeeeeeeeeeeeeeee

C# Ebm

It's this my sin, it's this my fall

C#

Can raise my eyes, without your call

Ebm

My greatest win is in my cry

G# G#m ? C#sus2 ? F# ? Ebm

Why did go, just tell me whyyyyyyyyyyyyyyyyyyy.

G#m ? C#sus2 ? F# ? Ebm

Yyyyyyyyyy

G#m C#sus2

I'm not a man

F#

I'm broken

Ebm

Unspoken

G#m

Without a mind

C#sus2

I can't recall

F#

The feelings

Ebm

The sceneries

G#m

Where I could dive

C#sus2

To see you walking

F#

To me

Ebm

Loving me

G#m

With all your pride

C#sus2

I can?t just stand

F#

This waiting

Ebm

I will be with you

G#m ? C#sus2 ? F# ? Ebm

I suicideeeeeeeeeeeeeeeeeeeee

G#m ? C#sus2 ? F# ? Ebm

eeeeeeeeeeeeeeeeeeee

C# Ebm

It?s this my sin, it?s this my fall

C#

Can raise my eyes, without your call

Ebm

My greatest win is in my cry

G# G#m ? C#sus2 ? F# ? Ebm

Why did go, just tell me whyyyyyyyyyyyyyyyyyyy.

G#m ? C#sus2 ? F# ? Ebm

YYYYYYYYYY

G#m ? C#sus2 ? F# ? Ebm

You suicideeeeeeeeeeeee

G#m ? C#sus2 ? F# ? Ebm

I suicideeeeeeeeeeeeeeeee

G#m ? C#sus2 ? F# ? Ebm

You suicideeeeeeeeeeeeeeeee

G#m ? C#sus2 ? F# ? Ebm

I suicideeeeeeeeeeeeeeeeeeeee

G#m ? C#sus2 ? F# ? Ebm ? G#m ? C#sus2

You suicideeeeeeeeeeeeeeeeeeeeeeeeeeeee

F# ? Ebm

Ends

G#m
