Suicide

Bm Esus2

I was a man

A

Who fooled with

F#m

The real life

Bm

Behind this smile

Esus2

I can?t deny

A

I?m drowning

F#m

With no one here

Bm

To realize

Esus2

That I still love

A

That I care

F#m

For all the things

Bm

Where you decide

Esus2

Whose love is strong

A

What matters

F#m

Who keep the keys

Bm ? Esus2 ? A ? F#m

To stay aliveeeeeeeeeeeeeeeeeeeeeeeee

Bm ? Esus ? A ? F#m

eeeeeeeeee

Bm Esus2

I?m standing here

A

With no one

F#m

With all the things

Bm

You leave behind

Esus2

I am the man

A

Who rules now

F#m

This loneliness

Bm

Is my prize

Esus2

I guess I was

A

Pretending

F#m

To be the one

Bm

Who's victimized

Esus2

But in the end

A

This suffering

F#m

Is now a reason

Bm ? Esus2 ? A ? F#m

You suicideeeeeeeeeeeeeeeee

Bm ? Esus2 ? A ? F#m

eeeeeeeeeeeeeeeeeeee

E F#m

It's this my sin, it's this my fall

E

Can raise my eyes, without your call

F#m

My greatest win is in my cry

B Bm ? Esus2 ? A ? F#m

Why did go, just tell me whyyyyyyyyyyyyyyyyyyy.

Bm ? Esus2 ? A ? F#m

Yyyyyyyyyy

Bm Esus2

I'm not a man

A

I'm broken

F#m

Unspoken

Bm

Without a mind

Esus2

I can't recall

A

The feelings

F#m

The sceneries

Bm

Where I could dive

Esus2

To see you walking

A

To me

F#m

Loving me

Bm

With all your pride

Esus2

I can?t just stand

A

This waiting

F#m

I will be with you

Bm ? Esus2 ? A ? F#m

I suicideeeeeeeeeeeeeeeeeeeee

Bm ? Esus2 ? A ? F#m

eeeeeeeeeeeeeeeeeeee

E F#m

It?s this my sin, it?s this my fall
