**C#**  
The thunder cracks against the night  
**C#**  
The dark explodes with yellow light  
**C#**  
The railroad sign is flashing bright  
**C#      B                      C#**  
People stare but I not care  
**B                                      C#**  
My flesh is cold against my bone  
**C#7                      F#**  
And Cheryl s going home  
**C#**  
Come hear me shouting in the rain

Is there a way to stop the train  
**C#                                      B                      C#**  
I ve got some reasons to explain about things I did today  
**B                                      C#**  
The whistles blows and I m alone  
**F#**  
And Cheryl s going home

SOLO

**C#**  
Santa Rosa special down the line

I m running desperately behind

There s only one thing on my mind

**B**

**C#**

The rain and tears are in my eyes

**B**

**C#**

Things I had to say when I m alone

**F#**

And Cheryl s going home
