VERSE 1:

G **D** **C(9)**
Never a day goes by when I can t see his face
G **D** **C(9)**
And I can hear a thundering voice that no one will replace
G **D** **C(9)**
But since he left you ve been hiding out and I can t understand
G **D** **C(9)**
It seems to me about that time you should be coming back again

PRE-CHORUS 1:

C(9) **G/B** **Gm/Bb** **A**
I can feel the pain that won t go away
C(9) **G/B** **A** **D**
We can t change that he left us but it s up to you to stay

CHORUS:

C(9) **G**
And I will make sense of it all
C(9) **G**
Gonna try to make sense of it all
C(9) **G**
You ask me why, cause it s all I can do
C(9) **A** **D**
I miss him every day but now I miss you

VERSE 2:

I know it hurts right now but you ve got to keep moving on
And I know how good it can feel when you re safe and withdrawn
But he can live in a memory and you don t yet have that choice
Cause you re still here and to speak to me you re gonna have to

use your voice

PRE-CHORUS 2:

I ain t telling you what s right
And I ain t telling you what s wrong
But it s he who has died
And it s you who has gone

CHORUS
