Run around

Toda a música (G - C - Am - D)

Intro: 6x

Once upon a midnight dearie  
I woke with something in my head

I couldn't escape the memory  
Of a phone call and of what you said

Like a game show contestant with a parting gift  
I could not believe my eyes

When I saw through the voice of a trusted friend  
Who needs to humor me and tell me lies

Yeah, humor me and tell me lies

And I'll lie too and say I don't mind  
And as we seek so shall we find

And when you're feeling open, I'll still be here  
But not without a certain degree of fear

Of what will be with you and me  
I still can see things hopefully

But you  
Why you wanna give me a run around

Is it a sure fire way to speed things up  
When all it does is slow me down

And shake me and my confidence  
About a great many things

But I've been there, I can see it cower  
Like a nervous magician waiting in the wings

Of a bad play were the heroes are right  
And nobody thinks or expects too much

And Hollywood's calling for the movie rights  
Singing, hey, babe, let's keep in touch

Hey, babe, let's keep in touch

But I want more than a touch; I want you to reach me  
And show me all the things, no one else can see

So, what you feel becomes mine as well  
And soon if we're lucky, we'd be unable to tell

What's yours and mine the fishing's fine  
And it doesn't have to rhyme, so don't feed me a line

But you  
Why you wanna give me a run around

Is it a sure fire way to speed things up  
When all it does is slow me down

Solo de gaita intro 7x

Tra, la, la, la, la bomba dear this is the pilot speaking  
And I've got some news for you

It seems my ship still stands no matter what you drop  
And there ain't a whole lot that you can do

Oh, sure the banner may be torn and the wind's gotten colder  
Perhaps I've grown a little cynical

But I know no matter what the waitress brings  
I shall drink in and always be full

Yeah I will drink it and always be full

Oh, I like coffee  
And I like tea

I'd like to be able to enter a final plea  
I still got this dream that you just can't shake

I love you to the point you can no longer take  
Well, all right, okay ... so be that way

I hope and pray  
That there's something left to say

But you  
Why you wanna give me a run around

Is it a sure fire way to speed things up  
When all it does is slow me down

But you  
Why you wanna give me a run around

Is it a sure fire way to speed things up  
When all it does is slow me down
