The mountains win again

Dreams we dreamed at night were never meant to come to life  
I can't understand the ease she pulled away her hand  
This time in my life I was hurt enough to care  
I guess from now on I'll be careful what I share

Chorus

A pocket is no place for a smile anyway  
Someday I will find love again will blow my mind  
Maybe it will be that love that got away from me  
Is there a line to write that would make you cry tonight

Chorus
