

Fly

Bluey Robinson

I really love this song and I couldn't find piano sheets or chords. I tried to listen to it by ear on the piano, I have the first part, but then I found out the chords, and it's really easy because they're only 2 chords. If you have any suggestions, like maybe another chord (because it sounds a bit boring) then please comment & I'll look at it. The reason why it sounds boring, is because the piano uses variations in the chords.

EDIT: The chords are standing a bit far away sometimes, or not on the right spot, that's because when you submit it, the whole space between the chords are being messed up, sorry!

Em

G

I woke up today and I found out someone had gone, again,
Someone had lost a friend.

Em

G

What can I say? I take the news too hard and hope and pray
They'll meet again some way.

Em

'Cause every morning is a new day,

G

But every night I seem to cry another tear of pain.
So I say

Em

G

Don't say goodbye, just say I'll see you in another land, another time,
If you follow, then sing this song

Em

G

I don't wanna say goodbye, so I guess I'll see you later.

Em

G

Pain in my chest, can't hold my cry, but I'll survive and I will see you
later.

Em

Time goes on and things change,

G

Begin to move along, the memories remain.

Em

The love you share makes you forget the pain

G

Because you know this is releasing you when no one calls your name.

Em

But every morning brings a new strength,

G

So then Iâ€™m strong enough to let you go, I found my way.
And I say

Em **G**
Donâ€™t say goodbye, just say Iâ€™ll see you in another land, another time,
If you follow, then sing this song

Em **G**
I donâ€™t wanna say goodbye, so I guess Iâ€™ll see you later.

Em **G**
Pain in my chest, canâ€™t hold my cry, but Iâ€™ll survive and I will see you
later.

Em **G**
No, I just canâ€™t face the world tonight, so Iâ€™ll pray Iâ€™ll see you later.

Em **G**
Maybe one day weâ€™ll reunite, so we can fly away.

Em **G**
I donâ€™t wanna say goodbye, so I guess Iâ€™ll see you later.

Em **G**
Pain in my chest, canâ€™t hold my cry, but Iâ€™ll survive and I will see you
later.

Em
No, I just canâ€™t face the world, no, no, no, no
G

So I pray Iâ€™ll see you later.

Em **G**
Maybe one day weâ€™ll reunite, so we can fly away.

Em
Fly like a bird, go far, fly high, beyond the stars

G
Fly to the highest high, then smile to me from where you are

Em **G**
You know Iâ€™m gonna miss you, but I gotta let you go, I gotta let you go.

Em
Fly like a bird, go far, fly high, beyond the stars

G
Fly to the highest high, then smile to me from where you are

Em **G**
You know Iâ€™m gonna miss you, but I gotta let you go, I gotta let you go.
