An easier and simpler way to play Showgirl. Easier to learn and sing along to.

Chords:

D: x-x-0-2-3-2-|
Dsus: x-x-0-0-3-3-|
Em: 0-2-2-0-3-3-|
Cadd9: 0-3-2-0-3-3-|

Notes: Before playing D , hammer on G and e string on 2nd fret. Also, strum Dsus

downwards only when changing over to other chords.

h=hammer on

D=down

u=up

H-D Dsus Em
hd-u--d--d-----d
Oh so incredible,

Em Dsus Cadd9
d-----d-----d----
Love the way you roll,

Cadd9 Dsus Cadd9 Dsus Em H-D
d-----d-----d-----d-----hd--
Straight up on your toes, ohh ohh ohh ohh

On last ohh , repeat hammer on D and then the rest.

Repeat through the rest of the song and strum however you feel suits you. I usually add a faster strumming pattern to suit the speed of the song.

Like I said, simple and easy. Enjoy.
