

## Best Days

Blur

**C**                    **Am**                    **C**  
Bow bells say goodbye to the last train

**Am**  
Over the river they all go again

**Dm**            (bass - **C**)   **G**            **Dm**            (bass - **C**)  
Out into leafy nowhere hope someone

**F**                    **G**  
Waiting out there for them

**C**                    **Am**                    **C**  
Cabbie has his mind on a fare to the sun

**Am**  
He works nights but it s not much fun

**Dm**            (bass - **C**)   **G**                    **Dm**            (bass - **C**)                    **F**  
Picks up the London yo yo s, all on their own down soho

**G**  
Please take me home

**C**                    (bass - **B**)                    **Am7**  
Other people wouldn t want to hear you

**Ab**                    (bass - **G**)                    **F**                    **Ab**                    **G**  
If you said that these are the best days of their lives

**C**                    (bass - **B**)                    **Am7**  
Other people would turn around and laugh at you

**Ab**                    (bass - **G**)                    **F**                    **Ab**                    **G**                    **C**  
If you said that these were the best days of our lives

**Dm**            (bass - **C**)                    **G**  
Trellick Tower s been calling

**Dm**            (bass - **C**)                    **F**                    **G**  
I know she ll leave me in the morning

**C**                    **Am**                    **C**  
In hotel cells listening to dial tones

**Am**  
Remote controls and cable moans

**Dm**            (bass - **C**)                    **G**  
In his drink he s been talking

**Dm**            (bass - **C**)                    **F**                    **G**  
Gets disconnected sleepwalking back home
