

Death Of A Party

Blur

F# C Bm

The death of the party

F# C Bm

Came as no surprise

F# C Bm

Why did we bother

F# C Bm

Should ve stayed away

D

Another night

C Bm

And I thought Well, well

D

Go to another party

C Bm F#

And plant myself gently on the shelf

F# C Bm

The death of a teenager

F# C Bm

Standing on his own

F# C Bm

Why did he bother

F# C Bm

Should ve slept alone

D

Another night

C Bm

And I thought Well, well

D

Go to another party

C Bm F#

And hang myself gently on the shelf
