

**Peach**

**Blur**

**E**            **A**            **E**                            **A**  
Chemical weeds...best part of the peach

**G**    **A**  
You're always your way you are

**B**  
What of that

**A**  
Going to close you in

**F#**    **B**  
You've got a gaping hole in your head

**A**  
I'd let the birds nest there instead

**E**            **A**  
Ah            ah

**E**            **A**  
Ah            ah

**E**            **C#**  
Ah            ah

(music - **E** & **A**)

**E**                            **A**  
A gun in your pocket

**E**                            **A**  
And hair in a locket

**G**    **A**  
Around your neck from the girl you once loved

**B**  
Where is she now

**A**  
You're plum crazy

(repeat chorus)

(middle same as verse)

(repeat chorus many times)
