Wassailing Song Blur

A fantastically old fashioned, seasonal song, but pretty rare.

This tab is pretty basic, so feel free to edit and interpret it how you like.

I guess you could strum, but i find a one-two three picking pattern of top string-bottom three strings-bottom three stings works best.

(I had done the chords for the whole darn thing but the layout messed it up and made it too complicated, So basically, just repeat the pattern all through. Sorry)

Group:
