Intro: **G Am Em C**

C

Walking down the highway

Em

Traffic s coming my way

D

B

All I see are flashing lights

C

People there in blue suits

Em

Wanna know the real truth

D

B

How many did I have tonight?

C

Looking at the wreckage

Em

Anyone would guess that

D

B

All inside had died

C

But I m alive

C

Wake up in a strange bed

Em

Angels over my head

D

B

One of them is shouting clear

C

Thousand bolts of lightning

Em

Bring me back to life

D

B

And it s a miracle that I m still here

C

As I m coming to

Em

I m screaming out for you

D **B**

I need you by my side

C

I m alive

G

No I didn t pray to God

Am

No I never saw the light

Em

No I didn t watch my life go flashing

C

Right before my eyes

G

No I didn t do the things

Am

C

That they all said that I would do

Am

B

C

I just closed my eyes and all I saw was you

C

All the things in my head

Em

Everything left unsaid

D

I never got a second to say

C

Knew that I adored you

Em

The moment that I saw you

D

Just terrified you d push me away

C

We re all dying slowly

Em

Just want you to hold me

D

What are we waiting for?

C

We re alive

G

No I didn t pray to God

Am

No I never saw the light

Em

No I didn t watch my life go flashing

C

Right before my eyes

G

No I didn't do the things

Am

C

That they all said that I would do

Am

B

C

I just closed my eyes and all I saw was you

C

If I don't die lying in the rain

Em

D

And I live another day then I run to you

C

Cause I don't have regrets

D

Just things I'd never say out to you

G

No I didn't pray to God

Am

No I never saw the light

Em

No I didn't watch my life go flashing

C

Right before my eyes

G

No I didn't do the things

Am

C

That they all said that I would do

Am

B

C

I just closed my eyes and all I saw was you
