We re staring at the second hand

G#m B F# G#m B D#m

And messages from foreign lands

A#m

There s blood on me

B D#m

There s blood on you

A#m

It s killing me

B

It s killing you

F# B F#

Sinking slowly drifting through this falling landslide

F# B F#

All the time we wasted waiting for the right time.

D#m G#m

Whoa-oh-whoa

If falling rocks should break our spines

G#m B F# G#m B D#m

They told us that s when we would climb

A#m B D#m

The thicker skin could not be moved

A#m

But there s blood on me

Sinking slowly drifting through this falling landslide

All the time we wasted waiting for the right time.
