Verse 1:

<b>Bm</b>	<b>G</b>	<b>D</b>	<b>A/C#</b>
The setting sunlight fades	and once again I m lonely		
<b>Bm</b>	<b>G</b>	<b>D</b>	<b>A/C#</b>
You re here beside me yet a thousand miles away			
<b>Bm</b>	<b>G</b>	<b>D</b>	<b>A/C#</b>
So as I pray for sleep	that I might wake up only		
<b>Bm</b>	<b>G</b>	<b>D</b>	<b>A/C#</b>
To find it s all been just a dream, a big mistake, a re-take			

Pre-chorus 1:

<b>Em</b>	<b>D</b>	<b>A/C#</b>
Now the hourglass of time is still		
<b>Em</b>	<b>D</b>	<b>A/C#</b>
Catatonic on the window sill		
<b>Em</b>	<b>D</b>	<b>A/C#</b> <b>G</b>
Frozen solid by the winds that chill you and me		

Chorus:

<b>G</b>	<b>A</b> <b>Bm</b> <b>G</b>	<b>D</b>	<b>A/C#</b>
----------	-----------------------------	----------	-------------

Locked in deep winter - summer passed away

**Em**                      **Bm**                      **G**      **A**  
We both have nothing left to say  
         **Bm**    **G**              **D**                      **A/C#**  
Lost in deep winter - broken down, decayed  
**Em**                      **Bm**                      **G**      **A**  
Now just the memories remain

repeat Intro 2 twice

Verse 2:

**Bm**                      **G**                      **D**                      **A/C#**  
We used to laugh and cry,    it felt so natural to me  
**Bm**                      **G**                      **D**                      **A/C#**  
It seemed the springtime in your eyes could melt the day  
**Bm**                      **G**                      **D**                      **A/C#**  
A frozen hearted trace    of words that mattered to me  
**Bm**                      **G**                      **D**                      **A/C#**  
Became the resting place for all that passed away between us

Pre-chorus 2:

**Em**                                      **D**    **A/C#**  
I confess it has an irony  
**Em**                                      **D**                      **A/C#**  
Neither of us where we planned to be  
**Em**                                      **D**                      **A/C#**              **G**  
On reflection I can clearly see you and me
