```

repeat Main riff

Verse 1:

**C#m** **A/C#**  
I believe there s a holy ground

**B** **G#m** **B**  
Where we will be safe from the spells around

**C#m** **A/C#**  
I believe there will be an end

**B** **A** **E**  
To the hunt that forced us to live in the dark

**A** **E**  
And hide from our lives

Verse 2:

**C#m** **A/C#**  
Only minutes before the dawn

**B** **G#m** **B**  
Run and hide before the night is gone

**C#m** **A/C#**  
Another day on the battlefield

**B** **A** **E**  
Do as you told don t show what you feel

**A** **E**  
Pretend it s not for real

Chorus:

**G#m** **E**  
We can see it all through our evil dreams  
**F#** **D#m**  
The truth is not always what it seems  
**C#m** **E**  
The tyrants will fall and we will rule  
**G#m** **F#**  
Let them hear our call

**G#m** **E**  
We can see it all through our evil dreams  
**F#** **D#m**  
The truth is not always what it seems  
**C#m** **E**  
The tyrants will fall and we will rule  
**G#m** **F#**  
So let them hear our call

**G#m**  
We are immortal

repeat Main riff

Verse 3:

**C#m** **A/C#**  
I believe there s a place for us  
**B** **G#m** **B**  
Far from the war, far from our loss  
**C#m** **A/C#**  
Our souls can t be slaves  
**B** **A** **E**  
Our dreams can never be forced to change  
**A** **E**  
Forced to disappear

repeat Chorus

repeat Intro

Solo rhythm:

**Fm, Fm, Db, E**  
**Fm, Fm, E, Db, E, F#**

repeat Chorus

repeat Main riff twice

end on **G#m**
