I went to the doctor, he says I m alright.

I knew he was lyin , I m losing my sight.
C **G** **C G**
He should have examined the eyes of my mind

20/20 vision and walkin round blind.

She s gone and left, I feel so alone.
I carry a heart as heavy as stone.
I knew she was cheatin , I knew all the time
20/20 vision and walkin round blind.

With my eyes wide open I lay in my bed.
If it wasn t for dyin I wish I was dead. *)
But this is my punishment, death is too kind
20/20 vision and walkin round blind.

You just didn t know her the way that I do.
You say that she s wicked, and maybe it s true.
one thing I know, she s no longer mine
20/20 vision and walkin round blind.

She s gone, she s gone, oh what shall I do?
you can t be happy if she s there with you.
Some day the heart will trouble your mind
20/20 vision and walkin round blind.
