Em **Em**
As I walked out tonight in the mystic garden
Em **Em**
The wounded flowers were dangling from the vines
Am **Am**
I was passing by yon cool and crystal fountain
Em **Em**
Someone hit me from behind

Em **Em**
Ain t talkin , just walkin
Am **Em**
Through this weary world of woe
Em **Em**
Heart burnin , still yearnin
Am (strum) **D** (strum) **Em**
No one on earth would ever know

They say prayer has the power to help
So pray from the mother
In the human heart an evil spirit can dwell
I m trying to love my neighbor and do good unto others
But oh, mother, things ain t going well

Ain t talkin , just walkin
I ll burn that bridge before you can cross
Heart burnin , still yearnin
They ll be no mercy for you once you ve lost

Now I m all worn down by weepin
My eyes are filled with tears, my lips are dry
If I catch my opponents ever sleepin
I ll just slaughter them where they lie

Ain t talkin , just walkin
Through the world mysterious and vague
Heart burnin , still yearnin
Walking through the cities of the plague

Interlude : Em Em Em Em

The whole world is filled with speculation
The whole wide world which people say is round
They will tear your mind away from contemplation
They will jump on your misfortune when you re down

Ain t talkin , just walkin
Eatin hog eyed grease in hog eyed town
Heart burnin ? still yearnin
Someday you ll be glad to have me around

Interlude : Em Em Em Em

They will crush you with wealth and power
Every waking moment you could crack
I ll make the most of one last extra hour
I ll avenge my father s death then I ll step back

Ain t talkin , just walkin
Hand me down my walkin cane
Heart burnin , still yearnin
Got to get you out of my miserable brain

Interlude : Em Em Em Em

All my loyal and much loved companions
They approve of me and share my code
I practice a faith that s been long abandoned
Ain t no altars on this long and lonesome road

Ain t talkin , just walkin
My mule is sick, my horse is blind
Heart burnin , still yearnin
Thinkin bout that gal I left behind

It s bright in the heavens and the wheels are flying
Fame and honor never seem to fade
The fire s gone out but the light is never dying
Who says I can t get heavenly aid?

Ain t talkin , just walkin
Carrying a dead man s shield
Heart burnin , still yearnin
Walkin with a toothache in my heel

The suffering is unending
Every nook and cranny has it s tears
I m not playing, I m not pretending
I m not nursing any superfluous fears

Ain t talkin , just walkin
Walkin ever since the other night
Heart burnin , still yearnin
Walkin til I m clean out of sight

Interlude : Em Em Em Em x2

As I walked out in the mystic garden
On a hot summer day, hot summer lawn
Excuse me, ma am I beg your pardon
There s no one here, the gardener is gone

Ain t talkin , just walkin
Up the road around the bend
Heart burnin , still yearnin
In the last outback, at the world s end

Outro : same as intro with strumming and celloes then end on
