

**Baby Im In The Mood**  
**Bob Dylan**

Baby I m in the Mood for You - Bob Dylan

from the album Biograph (previously unreleased song)

**G**  
Sometimes I m in the mood I wanna milk my milk cow low  
**C** **G**  
Sometimes I m in the mood I wanna leave my lonesome home  
**G** **B7** **C**  
Sometimes I m in the mood I wanna hit that highway road  
**G** **D** **G** **C**  
But then again and again I said oh oh oh  
**G** **D** **G**  
Oh Babe I m in the mood for you

Sometimes I m in the mood I wanna turn my back to the wall  
Sometimes I m in the mood I wanna live in my pony stall  
Sometimes I m in the mood I ain t gonna do nothin at all  
But then again and again I said oh I said oh I said  
Oh babe, I m in the mood for you

Sometimes I m in the mood I wanna change my house around  
Sometimes I m in the mood I wanna change the things in the town  
Sometimes I m in the mood I wanna change the whole world around  
But then again and again I said oh I said oh I said  
Oh babe, I m in the mood for you

Sometimes I m in the mood I m gonna give away all my sins  
Sometimes I m in the mood I wanna walk the road again  
Sometimes I m in the mood and I m bound to lose again  
But then again and again I said oh I said oh I said  
Oh babe, sometimes I m in the mood for you

The intro if I remember is a hammering/picking thing  
between **G**, **G6**, **G/B**.

The harmonica part is a riot (it s the only reason I play this fairly  
silly tune), if you have a G harp.
