

Canadee-i-o

Bob Dylan

Intro:   C     G     C     F  
          C       G       C

          C     G       C     F  
Well its of fair and handsome girl

      C               G       C  
She s all in her tender years

          C     G       C     F  
She fell in love with a sailor boy

C                   G  
It s true she loved him well

F               C  
But to go off to sea with him

                  G  
Like she did not know how

          C     G       C     F  
She longed to see that seaport town

C   F     C
