

Can't Wait
Bob Dylan

Em

I can t wait

A

Em

Wait for you to change my mind

It s late

A

Em

I m tryin to walk the line

Well it s way past midnight

And there s some people all around

A

Some on their way up

Some on their way down

Em

A

The air burns and I m tryin to think straight

C

B7

Em

And I don t know how much longer I can wait

I m your man

I ve tried to recover the sweet love that we knew

You understand

That my heart can t go on beating without you

Well your loveliness has wounded me

I m reeling from the blow

I wish I knew what it was that keeps me loving you so

I m breathin hard standin at the gate

And I don t know how much longer I can wait

Skies are gray

I m looking for anything that will bring a happy glow

Night or day

It doesn t matter where I go anymore I just go l)

If I ever saw you comin I don t know what I might do

I d like to think I could control myself

But it isn t true

That s how it is

When things disintegrate

And I don t know how much longer I can wait

A

I m doomed to love you

Em

I been rollin through stormy weather

A

I m thinkin of you

Bsus4

And all the places we could roam together

Em

It s mighty funny

The end of time has just begun

Oh honey, after all these years you re still the one

Well I m strollin through the lonely graveyard of my mind

I left my life with you

Somewhere back there along the line

I thought somehow that I would be spared this day

I don t know how much longer I can wait
