A

When you re sad and when you re lonely

And you haven t got a friend

E

Just remember that death is not the end

And all that you held sacred

Falls down and does not mend

E

A

Just remember that death is not the end.

D/A A

Not the end, (no, no)

D/A A

not the end (no, no)

E

A

Just remember that death is not the end.

When you re standing on the cross-roads

That you cannot comprehend

Just remember that death is not the end

And all your dreams have vanished

And you don t know what s up the bend

Just remember that death is not the end.

Not the end,

not the end

Just remember that death is not the end.

When the storm clouds gather round you

And heavy rains descend

Just remember that death is not the end

And there s no one there to comfort you

With a helping hand to lend

Just remember that death is not the end.

Not the end,

not the end

Just remember that death is not the end.

D

Oh the tree of life is growing

A

Where the spirit never dies

D

And the bright light of salvation

A

E

Shines in dark and empty skies

When the cities are on fire

With the burning flesh of men

Just remember that death is not the end

And you search in vain to find

Just one law-abiding citizen

Just remember that death is not the end.

Not the end, not the end

Just remember that death is not the end.
