Death Is Not The End Bob Dylan

Α

When you re sad and when you re lonely

And you haven t got a friend

Just remember that death is not the end

And all that you held sacred

Falls down and does not mend

Just remember that death is not the end.

Not the end, (no, no)

D/A A

not the end (no, no)

E A

Just remember that death is not the end.

When you re standing on the cross-roads
That you cannot comprehend
Just remember that death is not the end
And all your dreams have vanished
And you don t know what s up the bend
Just remember that death is not the end.

Not the end, not the end

Just remember that death is not the end.

When the storm clouds gather round you And heavy rains descend
Just remember that death is not the end And there s no one there to comfort you With a helping hand to lend
Just remember that death is not the end.

Not the end, not the end

Just remember that death is not the end.

מ

Oh the tree of life is growing

Α

Where the spirit never dies

D

When the cities are on fire
With the burning flesh of men
Just remember that death is not the end
And you search in vain to find
Just one law-abiding citizen
Just remember that death is not the end.

Not the end, not the end Just remember that death is not the end.
