```
      C/G               G7              Am        (C/G)
Well it ain t no use to sit and wonder why, babe
F                     C/G   G7
  If you don t know by now
        C/G               G7              Am        (C/G)
An  it ain t no use to sit and wonder why, babe
D7/F#                 G   G7
  It ll never do somehow
 C/G                              C7
When your rooster crows at the break of dawn
F                         D7/F#
Look out your window and I ll be gone
C/G         G7          Am  (C/G) F
You re the reason I m trav lin  on
    C/G         G7              C/G
But don t think twice, it s all right
```

C/G   **G7**   **Am** (**C/G**) **F**   **C/G** **G7**

```
      C/G               G7              Am          (C/G)
An  it ain t no use in turnin  on your light, babe
F                     C/G   G7
  The light I never knowed
      C/G               G7              Am          (C/G)
An  it ain t no use in turnin  on your light, babe
D7/F#                           G   G7
  I m on the dark side of the road
      C/G                               C7
But I wish there was somethin  you would do or say
    F                         D7/F#
To try and make me change my mind and stay
C/G         G7          Am  (C/G)  F
We never did too much talkin  anyway
    C/G         G7              C/G
But don t think twice, it s all right
```

C/G   **G7** **Am** (**C/G**) **F**   **C/G** **G7**

```
      C/G               G7              Am       (C/G)
So it ain t no use in callin  out my name, gal
```

```
F                         C/G    G7
  Like you never done before
      C/G              G7             Am         (C/G)
An  it ain t no use in callin  out my name, gal
D7/F#                      G   G7
  I can t hear you any more
      C/G                             C7
I m a-thinkin  and a-wonderin  walkin  down the road
  F                      D7/F#
I once loved a woman, a child I m told
  C/G         G7            Am  (C/G)  F
I give her my heart but she wanted my soul
     C/G          G7              C/G
But don t think twice, it s all right

C/G    G7    Am   (C/G) F    C/G   G7

C/G  G7        Am   (C/G)
So long honey-babe
F                         C/G    G7
  Where I m bound, I can t tell
C/G     G7         Am          (C/G)
Goodbye s too good a word, babe
D7/F#                     G    G7
  So I just say fare thee well
  C/G                      C7
I ain t sayin  you treated me unkind
F                         D7/F#
You could have done better but I don t mind
    C/G          G7          Am (C/G) F
You just kinda wasted my precious time
     C/G          G7              C/G
But don t think twice, it s all right

C/G    G7    Am   (C/G) F    C/G   G7
