Forever Young
Bob Dylan

(intro) **C**

```
                          C
Em
    May God bless and keep you always, may your wishes all come true,
                  Am                                             F
    C
may you always do for others and let others do for you.
                   C                                     Em
    May you build a ladder to the stars and climb on every rung,
                              F    G          C
    and may you stay      forever young.
                   G                  Am                          C    G
        C
Forever young, forever young, may you stay      forever young!

                      C                                           Em
    May you grow up to be righteous, may you grow up to be true,
                   Am
F                           C
    may you always know the truth and see the lights surrounding you
                   C                                    Em
    May you always be courageous, stand upright and be strong,
                              F    G          C
    and may you stay      forever young.
                   G                  Am                      C    G
        C
Forever young, forever young, may you stay      forever young!

                  C
Em
   May your hands always be busy, may your feet always be swift,
                   Am
F                           C
   may you have a strong foundation when the winds of changes shift.
                   C                                          Em
   May your heart always be joyful, may your song always be sung,
                              F    G          C
   and may you stay      forever young.
                   G                  Am                      C    G
        C
Forever young, forever young, may you stay      forever young!
```
