Verse:

```

Ebmaj7*1                          Ebmaj7*2
The evening winds are still
Dm                          E7
Iâ€™ve lost the way and will
Am7                          D7
canâ€™t carry you where they will
Gm                          C7
I just know what they meant
Am (Decending Root)
Iâ€™m always on my guard
Am(Dec Cont.)                  D7
admitting life is hard
Gm    C7                          F
without you near me

```

The friend you used to be  
so near and dear to me  
you slipped so far away  
where did we go astray  
I passed the old school yard  
admitting life is hard  
without you near me

```

Bb                          A7
Ever since the day
Dm                          D7
the day you went away
Gm                          C7

```

I felt that emtyness

**F**

so quite? wide?

**Bb**

**A7**

I donâ€™t know whatâ€™s wrong or right

**Dm**

**D7**

I just know I need strenght tonight

**Gm**

**C7**

**A7**

strength to fight that world outside

Since weâ€™ve been out of touch

I havenâ€™t felt that much

From day to barren day

My heart stays locked away

I walk the boulevard

admitting life is hard

without you near me

The sun is sinkin low

Iâ€™ guess itâ€™s time to go

I feel a chilly breeze

In place of memories

My dreams are locked and barred

admitting life is hard

without you near me
